Report on
Expert Talk and Interactive Session on the Proposed NAAC Binary Accreditation Framework

1. Event title and a brief description:

Title: Expert Talk and Interactive Session on the Proposed NAAC Binary Accreditation Framework

The Internal Quality Assurance Cell (IQAC), Pandit Deendayal Upadhyaya Adarsha Mahavidyalaya (PDUAM), Behali, organised an Expert Talk and Interactive Session on the Proposed NAAC Binary Accreditation Framework on 13 November 2026. The programme aimed to familiarise the members of the IQAC Central Committee and the Attribute-wise Sub-Committees with the proposed accreditation framework and to facilitate discussion on institutional preparedness, documentation and quality-assurance responsibilities.

2. Date and duration:

13 November 2026 (Friday), 11:00 AM to 1:00 PM.

3. Organizing department:

Internal Quality Assurance Cell (IQAC), PDUAM, Behali.

4. Target audience:

Members of the IQAC Central Committee, Convenors and members of the various Attribute-wise Sub-Committees of PDUAM, Behali.

5. Objectives:

The objectives of the programme were:

- To familiarise the IQAC Central Committee and the Attribute-wise Sub-Committees with the proposed NAAC Binary Accreditation Framework.
- To discuss the structure, key attributes and assessment-related requirements of the proposed framework.
- To clarify the roles and responsibilities of the IQAC Central Committee, Convenors and Sub-Committee members in institutional preparation.
- To discuss the systematic collection, verification, compilation and maintenance of institutional data and supporting documents.
- To encourage coordination and active participation among the concerned committees for strengthening the institution's quality-assurance processes.
